Idol A: Chapter 3 (END)

I've been sitting on these chapters for like 3 years now cause i effort but I'm pretty bored right now. Those are chapters from the first 3 Short Program volumes, which were not covered by other groups. I found the raw on the Internet (where else), the translation came from Meriken from Mangahelpers, I just slapped them together. Being an Adachi fanboy though, I even put effort in to cleaning and re-drawing the raw and stuff, which was terribly tedious. But yeah, enjoy the chapters all the 3 of you Adachi fans, be sure to pick up Mix as well.

Translation: Meriken

Raw: I believe it was from stark, good times

Everything else: Akita (if you want to contact me: @Akita_Z or akita08@gmail.com)
